

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF CALIFORNIA**

CARL FOUST,

Plaintiff,

v.

CALIFORNIA MEDICAL FACILITY,

Defendant.

No. 2:21-CV-0540-DMC-P

ORDER

Plaintiff, a prisoner proceeding pro se, brings this civil rights action under 42 U.S.C. § 1983.

On November 3, 2021, the Court directed Plaintiff to file a second amended complaint within 30 days. See ECF No. 21. Plaintiff has since filed four notices describing various difficulties he is experiencing, ranging from a prison transfer to medical issues, making it difficult for him to meet the Court's deadline. See ECF Nos. 22, 23, 24, and 25. The Court construes these notices as a motion for extension of time and, so construed, finds good cause for granting an extension.
